

## **Admission Policy**

Part-time at the beginning of the September following their 3rd birthday and full time at the beginning of the September following their 4th birthday.

In keeping with Gwynedd Education Authority's admission policy, each application will need to be registered by April 1<sup>st</sup> and before the end of that month information will be sent to you confirming whether or not a place is available for the child at the school.

Parents can register their child/children online at [www.gwynedd.gov.uk/schooladmissions](http://www.gwynedd.gov.uk/schooladmissions)

Parents of children in the nursery class will need to complete a new registration for admission to the Reception Class in September 2013. The Local Education Authority will be deciding on all admissions to the Nursery and Reception classes according to their admissions criteria noted in the Admissions Policy.

Towards the end of the summer term new entrants will be invited to spend an afternoon at the school so that they may familiarize themselves with their new surroundings. We feel that this helps to lessen any concerns they may have and helps them to look forward to starting school.
